

On inbound packages from outside the continental United States:

Include on your paperwork:

**“This VETERINARY DEVICE is being returned to the manufacturer for calibration and/or repair and will be returned to the customer.”**

Insurance:

You need to insure the unit – and mark your document as:

**“INSURED FOR FULL REPLACEMENT VALUE OF \$\_\_\_\_\_.\_\_\_\_”**

The package must have the following information clearly placed close to the address label:

**“THIS PACKAGE CONTAINS A VETERINARY MEDICAL DEVICE”**

In addition, the following information must be on every box containing veterinary devices entering or leaving the continental United States:

**“IN ACCORDANCE WITH TITLE 21  
Chapter 1,  
Subchapter “H” Medical Devices  
PART 807  
Subpart “D” – EXEMPTIONS**

**807.65 b.**

**VETERINARY DEVICES ARE EXEMPT  
FROM FDA REGISTRATION**
