ENGLER ENGINEERING CORPORATION WARRANTY POLICY

LIMITED WARRANTY: All Engler products are manufactured to the highest standards and are warranted against any manufacturing defects. If under normal conditions, an item is found to be defective, either in workmanship or materials, Engler Engineering Corp. will, at its discretion, repair or replace the item or refund the original purchase price

Engler Engineering Corp. will not be responsible for loss or injury either direct or indirect arising from the use or misuse of any product sold. Use of Engler products by anyone other than a licensed professional will void any warranty. Engler Engineering Corp. will not be responsible for accidental damage or lack of reasonable care, this includes during unpacking, installation, or use. Engler Engineering Corp. will not be responsible for damage or injury caused by others, i.e.; plumbers, electricians, or outside technicians hired by the clinic or hospital to do work for, or make any repairs on Engler equipment.

Engler Engineering Corp. will not be held responsible for damage during shipping. Customer must refuse any package from the carrier that is obviously damaged. Any damage found after accepting package must be documented immediately by photographing **all** details of the damage. If possible, do this before completely removing item from packaging and save all packaging. Report damage immediately to Engler Engineering so that we can determine who will file the loss/damage claim.

Under no condition will Engler Engineering Corp's liability exceed the purchase price of the product in question. Any and all legal action and or mediation shall be in the jurisdiction of Miami-Dade County and fall under Florida laws. Each party is responsible for their own legal fees.
